Presented by Jo Downing/K9Konditioning

Hosted by All Dog Adventures

**How & When to take the foundation skills you've learned to the next level
and be able to increase the challenge in your dog's workout!!**

This Clinic is open to anyone who has previously attended a clinic or a seminar with K9K and has been shown the basic foundation skills and the correct form for these skills.

During this clinic, we will take those foundation skills and apply them to equipment (either a balance disc and/or a fitbone). As well, you will learn exercises designed to work specific areas of the body (front, core, rear).

There will be limited # of balance discs and FitBONES for use at this clinic; however, to ensure you get to work the full time, having your own piece of equipment is suggested. Equipment may be purchased at a 10% discount from Jo Downing. Please contact her directly for purchase: jo@k9konditioning.com.

As always, dogs must be injury free to attend and work in this clinic.

Limited to 12 working spaces. Unlimited Auditing.

Working Spot: \$50

Audit: \$25
